

The Sugar Industry Trust Fund for Education (SITFE) was launched in 1965 as a private sector initiative.

In its 50-year history, SITFE has provided bursaries to over **10 000** students, financed school building projects, given assistance to tertiary institutions and has worked closely with specialist educational organisations to improve overall education standards.

"Education is the most powerful weapon which you can use to change the world."

- Nelson Mandela
