

WE AIM TO EMPOWER AND CREATE GROWTH FOR ALL OUR STAKEHOLDERS

Seriti is a broad-based, 91% black-owned and controlled South African mining company producing coal for domestic power generation as well as the export market. The company consists of seven operating coal mines, processing plants, and several other projects at different life stages. Seriti's ambition is to empower and create growth for all its stakeholders.

BURSARIES: SERITI RESOURCES EXTERNAL

The role:

The scheme supports top students to obtain a tertiary education in a specified field of study at a recognised & and registered Higher Education and Training Institution (mainstream South African University or University of Technology).
